**Great meeting yesterday
at The Uptown Cafe.**

**We had a special event with the
presentation to Wayne Witter,
known to all as Captain WOW,
with his nomination to the
Georgia Military Hall of Fame.**

**The award was read by retired Lt. Col.
Mike Mizell followed by a standing
ovation from the 31 attendees.**

**Next, longtime member, Alton Reynolds
gave us all some wise words to live by
as written in the book,
“Lucky You”
by Price Pritchett**

chapter titles from the book:

Know what you want.

Avoid negativity.

*Find the silver lining
in setbacks and failures.*

Put your heart in your work.

Bring luck to other people.

**If you want to learn more, the book is
available on Amazon
and I highly recommend it.

breakfast meeting on the VetBuds
