VetBuds and Friends,

Last week, we announced a pending need for volunteers to assist Army Vietnam Veteran, Jerry Ulery, 730 Northland Court, Sandy Springs.

Jerry is unable to maintain his property and plans are coming together to help out.

We'll need several volunteers in the next few days to clean up Jerry's yard. Jason Robbins was able to get a 30 reprieve from the city to delay any action on their part.

This Sunday, Hawkeye and maybe one or two others will arrive mid morning

efforts.

Next week, Friday, October 17 and Saturday, October 18 will be the big push.

If you can spare a few hours this Sunday or next week on Friday and/or Saturday, please call or text Hawkeye at 404-291-2205 and let him know when you can assist.

This project will require some physical effort, please be prepared.

We're getting some great interest and promise of assistance from the JCVA, Project Rubicon and others but we'll need every hand we can get.

Thanks in advance for your response!
