VETERANS DAY

NOVEMBER 11TH

November is significant in military history, particularly for the commemoration of Veterans Day on November 11, which marks the end of World War I in 1918. This day honors all U.S. veterans and has evolved from its original designation as Armistice Day, established to remember those who served in World War I.

Eisenhower signing of HR7786, June 1, 1954, this ceremony changed Armistice Day to Veterans Day

U.S. Marine Corps celebrates 246 years

The Marine Corps began when two battalions of Continental Marines were formed on November 10, 1775 in Philadelphia as a service branch of infantry troops capable of fighting both at sea and on shore. Marines have participated in all wars of the United States and have executed more than 300 landings on foreign shores and served in every major U.S. naval action since 1775. Today there are more than 180,000 active duty members and some 38,500 personnel in reserve.

Spend some time doing quieter work and show love to our fellow Veteran. Please consider comforting our brothers and sisters in their final hours by joining our group. It makes a difference for them to spend their last moments with someone who is kind and caring. It's comforting to family members, knowing that their loved one isn't alone when they pass away.
