Veterans Care Center

Roswell partners with State and Federal Agencies to bring World-Class Veterans' Care Center to Roswell

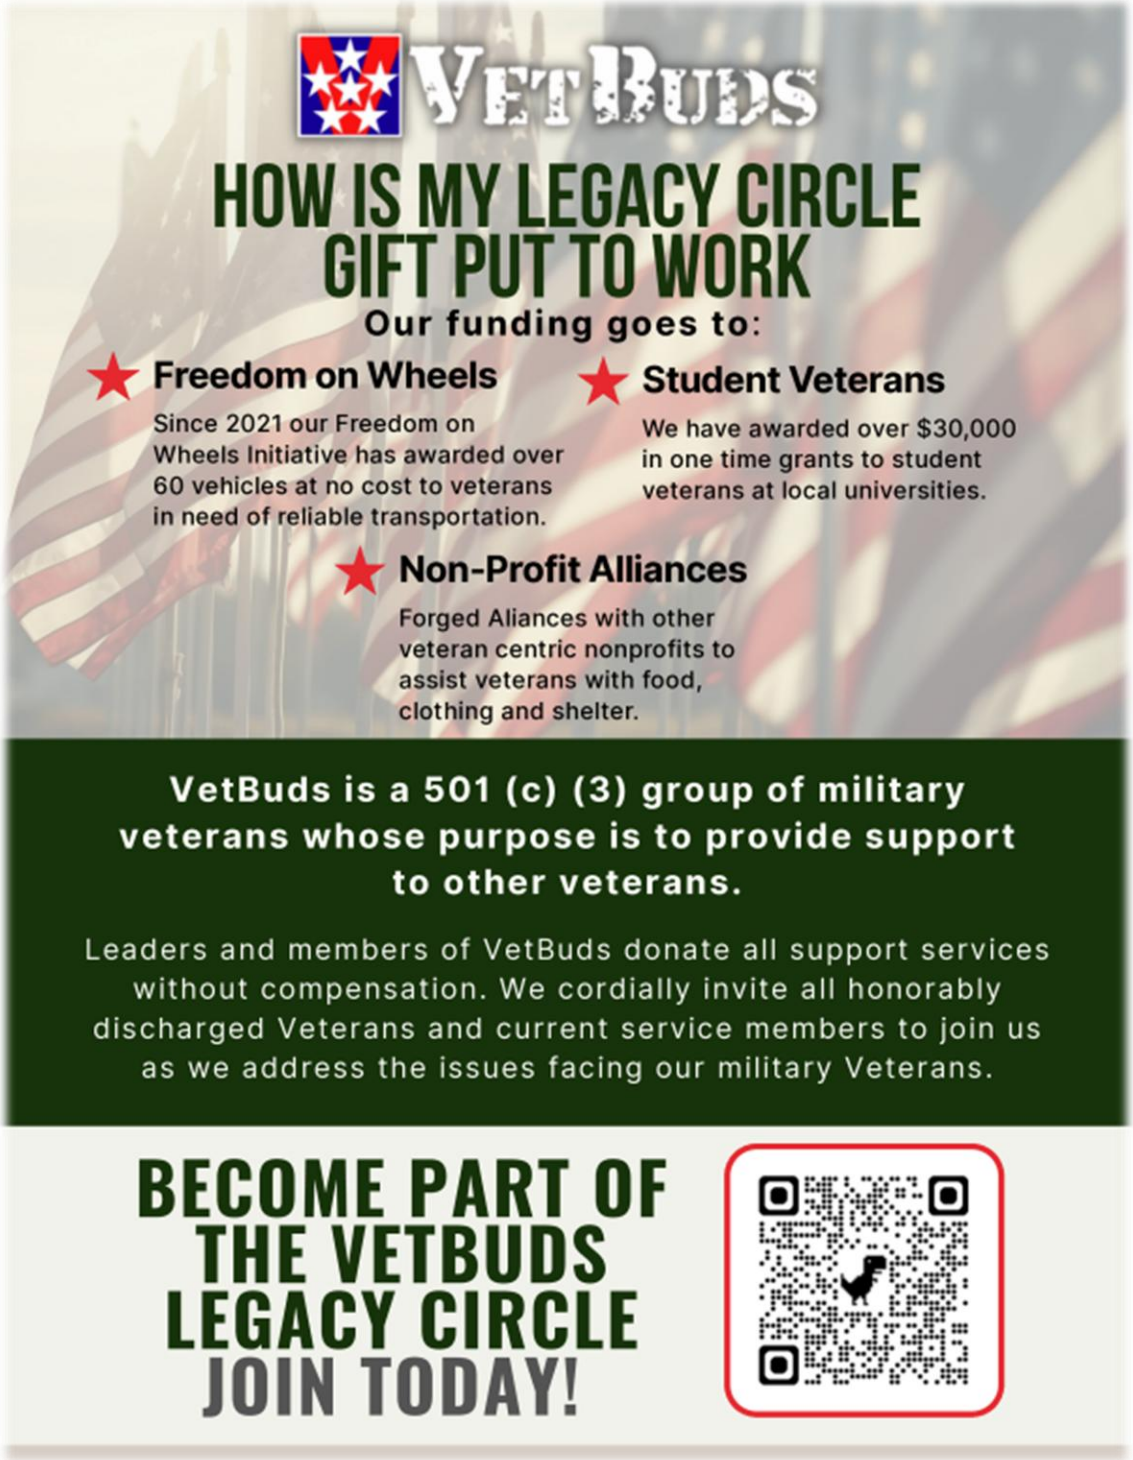

(*Click on image above to learn more*)

At our recent get-together on September 16th, we hosted Roswell's Mayor, Mary Robichaux, where she discussed Roswell's plan to establish a Veterans' Care Center. The Mayor also met one-on-one with several VetBuds to discuss other areas of interest regarding the need to serve the Veteran community. Below are basic details regarding the Veterans Care Center.

The City of Roswell has unanimously approved a Memorandum of Understanding (MOU) with the Georgia Department of Veterans Service and the Georgia Veterans Service Foundation to collaborate on the planning, funding, and development of a new long-term Veterans' Care Center to be located within Roswell. The proposed facility would provide full-time wraparound care for 126 Veterans, operated by the State of Georgia with VA support at no ongoing cost to the City of Roswell.

U S Navy Birthday

(*Click on image above to learn more*)

The founding of the U.S. Navy dates back to the Revolutionary War. George Washington created the United States' first naval fleet by converting three Massachusetts schooners into warships. The makeshift fleet's purpose was to intercept an unarmed British supply ship. The next day, Washington sent a letter to Congress urging them to establish a naval force. On October 13, the Continental Congress passed a resolution to create the Continental Navy. This date now represents the official establishment of the U.S. Navy.

THE WARRIOR ALLIANCE 2026 IMPACT

The Warrior Alliance, (TWA) is a personalized network that provides connections for Warriors and their families of any age or stage in their life. TWA connects them with the customized resources they need to find success after their service. TWA has a partner network of more than 40 service providers over 10 service areas. This includes health and wellness, education, legal services, employment, housing, volunteer services, family services, VA benefits, recreation, and financial wellness.

TWA's personal touch — "*the human connection"* — that is cultivated with every Warrior—is what sets TWA apart. TWA representatives ("Navigators") work closely with each Warrior to develop customized care plans. When asked to describe their role, a TWA Navigator shared, "*My role is to remind our Warriors they are not alone in this journey. We provide more than just a roadmap – we offer a hand to hold, a listening ear, and the belief that they can succeed*." Navigators foster relationships with Warriors built on trust, empathy, and mutual respect.

By combining the power of technology and data with the irreplaceable value of "*the human connection"*, TWA helps Warriors get the services they need.
